

EXECUTIVE COMMITTEE

The Albuquerque Chapter AGO annually elects a board of officers who see to the day to day running of the chapter's business. With the input from chapter members, the annual calendar of musical and educational events is planned and presented for the benefit of our membership and the community at large. The **Executive Committee** works to communicate regularly with the membership about all chapter planned events, and whenever known, community musical events that might be of interest to our members. As a chapter member, your concerns and suggestions are important to us so please let us know how we can assist you.
