### NOTES FROM THE DEAN

Dear Friends,

I write today with a very heavy heart. Due to family medical issues, I have decided that it will be best to step down as your Dean. I am deeply sorry to have to do this, but I feel that dividing up my time too much right now will not serve me or the Albuquerque Chapter well. I announced this last night at the Executive Committee meeting, and could not be more grateful to Fred Graham, who will be stepping into the Deanship; to James Yeager, who will offer his many gifts to the Committee; and to the membership at large, and to the members of the Executive Committee, who were so supportive. I will continue to serve as much as I am able, just not in a leadership role right now. I would welcome your prayers going forward.

I would like to highlight the first two events of this new season. On Sunday, 9/9 at 1:30, we will have first **General Meeting** in the Library of St. John's Cathedral, 318 Silver Ave SW in Albuquerque. The meeting will be followed by an organ recital at 3:00 by Isabelle Demers. She is a brilliant and dynamic performer, and teaches at Baylor University in Texas. Not to be missed!

Our next September program will be a **Members' Recital** on September 30 at 3:00 at First Presbyterian Church, 215 Locust Street, in Albuquerque. Performers will include Fred Frahm, Scott Hagler, Edmund Connolly, James Yeager, Douglas Parsons, Karen Parsons, and myself, and will feature the two beautiful organs at First Pres. After the recital, we will have a music and book sale. **If you have music which you would like to donate, please drop it off between 9/24 and 9/28 at First Presbyterian (not sooner).** Money collected will benefit our growing Scholarship Fund. We are looking for a few volunteers to assist at the sale, and to assist in organizing the music sometime in the few days before the recital. Thank you in advance for volunteering!

We have a new website to assist us in getting the word out about Guild events, and about our own events at our own churches, and a webmaster who is passionate about this! I would like to take the opportunity to remind you about some features of our new website. We may:

- submit events to the “[Calendar](#)” and “[Other Events](#)” pages. (*Submission Form on the Calendar page*)
- submit open church jobs and volunteer positions to the “[Jobs & Opportunities](#)” page. (*Form available*)
- submit photos of events, and instruments that would be of interest to the membership.

In addition, I would ask that we all sign onto the National Website to update our profiles to include our places of employment. We are thinking about adding a password protected, opt-in or -out listing of the ABQ membership to our website, and where we work is important information to know. We now have a Facebook Page! Please join it, and send posts to Evelyn to be uploaded. Her email is [editor@agoabq.org](mailto:editor@agoabq.org).

Blessings to all as we navigate our journeys!

## **WELCOME TO NEW MEMBERS**

**Doug Parsons, B.Mus. organ and music theory, M.Mus. organ**

**Karen Parsons, B.Sci. Music (Piano and Organ), M.Arts Piano Pedagogy**

Doug and Karen have recently moved to Santa Fe, and we welcome them as new members to this Chapter. Right now they are not looking for permanent jobs, but Doug has been subbing for their friend Melissa Toedtman at St. John’s UMC in Santa Fe. Doug has choral conducting experience and could sub for an organist/choirmaster or a choir director. He is also a registered piano technician, having tuned for both the Dallas and Ft. Worth Symphonies and worked for Steinway and Yamaha dealerships in the Dallas/Ft. Worth area for some 30 years. He is interested in developing a clientele in Santa Fe and Albuquerque as well. They have both subbed for these denominations: Baptist, Catholic, Lutheran (Evangelical and LCA), Methodist, Presbyterian, Christian Scientist and Unity. Doug’s degrees are in organ performance with a theory minor, and Karen’s two degrees are in piano with organ minor and piano pedagogy. They are both members of the Santa Fe chapter of the Music Teachers National Association (MTNA) and Karen is a certified teacher. Doug is also a harpsichordist with experience in continuo playing.
