### NOTES FROM THE DEAN

Dear Friends:

Every year around this time I tell myself to calm down and enjoy holidays, and every year I struggle! As a church musician, this is really when things become very busy. We have a couple of events during these two months that may help you to recharge your batteries and perhaps enjoy some holiday cheer.

**Fred Frahm** will be presenting on composing for the organ on Saturday, November 16 at 10:00 AM at St. Thomas of Canterbury Church in Albuquerque. The church has just installed a historic organ, so this is your first chance to see one of the newest organ installations in the area. Workshop participants will compose a piece together, so there is a guarantee of one new piece for your repertoire if you attend!

**Maxine Thévenot** and **Edmund Connolly** are hosting a Holiday Soirée at their house on Friday, December 20 from 6:30-8:30 PM. The food will be catered, but you are encouraged to bring a small sample of your holiday baking skills, if you would like.

Thank you to everyone who attended the Paul Thornock Recital and Masterclass at First Presbyterian Church in Albuquerque, and especially to **James Yeager**, host organist and event sponsor.

As we begin what is the busiest season for many organists, I hope each of you will have time to take a breath and enjoy the beauty of the holidays.

***Fred Graham – Dean***

## AUGUST HUYBRECHTS

August is probably the oldest member or previous member of our chapter still alive in New Mexico and was a dean of the chapter. He lives with his son and is in hospice, but still mentally vibrant. **Pamela McClain**, our Chapter secretary, is looking for someone who would enjoy visiting with August. He is from Belgium and was for many years the organist at the *Our Lady of the Assumption Catholic Church* in Albuquerque. Please contact Pamela at [pjm1952@aol.com](mailto:pjm1952@aol.com) if you are interested in visiting with him. His 99th birthday was October 13th. If you would like to send a (belated) birthday card to August, it doesn't matter in the least if you have never met him, just put AGO on it somewhere. His address is: [1620 Singletary Drive NE, Albuquerque, 87112](http://1620 Singletary Drive NE, Albuquerque, 87112).

## SANTA FE SUMMER ORGAN ACADEMY REPORT 2019

Seven masterclass participants and four auditors attended the Santa Fe Organ Academy with Kimberly Marshall this past summer at First Presbyterian Church in Santa Fe. The workshop was organized by **Linda Raney** and ran from Tuesday, July 30 to Thursday, August 1. Monday was a study day in which masterclass participants could practice on the wonderful C.B. Fisk, Op.133, organ at First Presbyterian.

Each day of the workshop began with a two-hour masterclass. After lunch, Dr. Marshall presented lectures on early organ music beginning with keyboard music of the 14th and 15th centuries, progressing into the music of the Renaissance, and finishing up with the evolution of the German Praeludium. There was sufficient time each day for masterclass participants to have additional practice time on the Fisk. The workshop culminated with a recital on Thursday

afternoon. Each masterclass participant played one or more of the pieces they had prepared.

As someone who didn't know much about these early organ works, I learned a lot from both the lectures and the masterclasses. Kimberly was a wonderful teacher. I am now inspired to incorporate some early music in my own repertoire. Plans are underway for another Organ Academy next summer focusing on early Spanish Music. I'm know it will be very enlightening and I am certainly already planning on attending. I would encourage other AGO members to join me.
