## NOTES FROM THE DEAN

Dear members and friends,

I hope you all had wonderful Advent and Christmas seasons!

First, a word of gratitude to those who participated in our two **Preludes and Pies** events this fall. Both the Albuquerque and Santa Fe events were informative, well-attended and fun. I especially thank those who played and our hosts, Susan Eberlein and Jerry Nelson.

I would like to highlight for you our upcoming **Members' Recital**. The details of that will appear elsewhere in the newsletter, but I would like to encourage you to consider playing in the recital. The great fun of members' recitals is hearing people from a wide variety of traditions and levels of experience come and play their best. Please do not be deterred from playing because others have more years of education or experience. I will be formulating the program, so if you would like to play, please let me know. If you have questions about playing and feel unsure, please reach out by email or phone. I would be happy to explain how it would work and provide any help you might need.

As we move into the late winter and spring, we will need to begin to envision our 2025-2026 slate of workshops and recitals. Please consider jumping in to serve as **Sub-Dean**. Our chapter has a great team of leaders, but we are missing that crucial piece. If you would like to hear more about serving as Sub-Dean, please contact me or another chapter leader and we can talk it over.

Wishing you a happy and blessed 2025,

*Jeremy Wirth, Dean*

## **AGO-HQ INFORMATION TECHNOLOGY SYSTEM**

The long-awaited change from the ONCARD system to the new iMIS program happened on October 15, 2024. It is now essential that every member has their date of birth in the system, or it will charge you the full \$120 renewal subscription. The new policy DOES NOT provide for any grace period of paying dues beyond the renewal date. So, if you have a renewal date of January 1st and do not make your payment by that date, your membership will be cancelled approximately two weeks later. This pattern of processing will occur every month at each renewal date during the year. The AGO accepts payments by both credit cards and personal check.

Members should have received instructions about the new login procedure. You will be required to have a valid email address, which will be verified during the first login procedure. If you're unsure, ask our Dean, [Jeremy Wirth](#)

The whole year's calendar is on the Calendar page (use Agenda tab). Please notify the webmaster of events you would like to have advertised. Also, paid "[Positions Vacant](#)" or requests for volunteer musicians and singers can be advertised free of charge. Our website gets about 400 views per month. **NOTE:** our Facebook page has over 360 followers and can be used for posting notices about events, vacancies, etc. If you "Like" our page, you will receive new postings in your own News Feed.
