### NOTES FROM THE DEAN

Dear Colleagues,

First, I want to thank those who worked hard to make our Season Opening Dinner in October such a success. James Yeager and others did an outstanding job providing a warm welcome to so many participants. We are grateful to Nathan Cleaveland, Matt Greer, and others at St. John's Methodist for welcoming us graciously.

Please consider engaging more actively in AGO activities this year. James Yeager and his revived Program Committee have such exciting plans for this season. We would love to see you there and get to know you better.

A conversation started recently among some members about the challenges of tuning and maintaining pipe organs in New Mexico at this time. Currently there are no local pipe organ technicians or tuners, leaving all of us to rely on out-of-state service providers. Interest has been expressed in working together in a more organized way to pool costs and ensure the availability of services. If you are interested in participating in that conversation, please contact me. I hope to facilitate further discussion and connect members with common needs and challenges.

Evelyn Henson, a tireless and wonderful volunteer, does a great job of updating this newsletter and our website with local organ events and information. If you have information that might interest other members or stakeholders, please provide that information to Evelyn. For example, Evelyn has a page on the website about local organs, but it's incomplete. Please consider providing Evelyn with information about the instruments to which you have access. If you know of planned organ performances or choral activities, please let Evelyn know.

Please keep in touch,

*Jeremy Wirth, Dean*

## WELCOME BACK DINNER MEETING - REPORT

On Friday, October 17th, our inaugural event was attended by twenty-five Chapter members and guests.

**Nathan Cleaveland** hosted the gathering, which featured a delectable catered dinner at St. John United Methodist Church.

**Dean Jeremy Wirth** conducted a brief business meeting, recognizing chapter officers, the executive board, and other team leaders. He also nominated **Fr. Steve Rosera** as **Chaplain** for our chapter. Fr. Steve is the pastor of Immaculate Conception Catholic Church in Albuquerque. The nomination was unanimously approved by the gathering.

**Sub-Dean James Yeager** announced the 2025-2026 program and expressed gratitude to the program committee for its innovative initiatives. Several guests, including five potential new members, were cordially invited. Several attendees traveled from distant locations within New Mexico, including Farmington and Santa Fe.

The program concluded with a duo-organ piece (a transcription of Beethoven's *Symphony V, Op. 1, No. 1, Allegro con brio*) performed by **Nathan Cleaveland** and **James Yeager**.

(2309 Monterrey Rd NE, Rio Rancho, NM 87144).

Our second event features hymnody, the musical bread and butter of church musicians. Chapter members have volunteered to play exemplifying their technique, treatment, and hymn playing methods. Each organist will choose two favorite hymns and lead the gathering. We contribute uniquely to worship with this time-honored skill. The spacious nave in this church has marvelous acoustics and a three-manual Allen digital organ. **Elizabeth Illerbrun**, music director of the church, will host.

Refreshments and social time will follow. The program is expected to last about one hour.
